Re: Voluntary Drought Restrictions Rescinded

The City of Corsicana has notified Chatfield WSC that the Stage 1 Drought Contingency Measures have been rescinded. These measures are in response to the current storage conditions in Navarro Mills Reservoir. Trinity River Authority has advised Navarro Mills Reservoir has been above the 421.5' of elevation for 15 consecutive days.

Your cooperation is truly appreciated. If you have any questions, please call us at (903) 345-3463.

Mona Barlow
